

6th February 2025

Dear Parents,

Year 2 Burwardsley Trip Meeting

Following the success of previous visits, we are excited to offer an opportunity for the children in Year 2 to participate in a one night residential trip to The Burwardsley Centre, in Tattenhall, Cheshire. We shall be leaving school on Wednesday 5th March and returning to school on Thursday 6th March. We would encourage all children to take part as this trip will provide an opportunity to develop their independence and help to prepare them for future residential trips in Upper School. The children will take part in a range of exciting activities, which will enable them to enhance their personal and social skills, whilst supporting the Year 2 curriculum.

A reminder that Mrs Bradley and Mr Booth will be holding a meeting, which will follow the Year 2 assembly, on Thursday 13th February. They will tell parents more about the trip and will endeavour to answer any questions that you may have. The children will be looked after by Mrs McClearn in the classroom whilst the meeting takes place in the school hall.

Please [click here](#) to confirm your attendance at the meeting. Should any parents not be able to attend, please contact Mrs Bradley or myself to make an appointment to speak with you separately at a convenient time.

Yours sincerely,

G Booth

Graeme Booth
Headmaster

Note: Grandparents or other family members who have watched the assembly may leave the hall before the meeting starts.
