

12th July 2024

Dear Parents,

End of Year Letter

I would like take the opportunity to thank you for your continued support throughout this year. It doesn't seem long ago when we returned in that late summer heatwave back in September 2023.

Over the summer we will be putting the final plans together for our centenary year which we will then share with you all. We will also send out a copy of the dates for the autumn term 2024.

From September, all of our communications will be on the parent portal app so please ensure you have this available to you in readiness. If there are any technical problems please do not hesitate to contact our IT technician, Daz Cowen (daz@forestschoool.co.uk), who will be able to provide support.

Once again, many thanks for your support throughout the year. Along with my colleagues, we would like to wish all our Forest families a very enjoyable summer break.

Yours sincerely,

Graeme Booth
Headmaster
