

23rd January 2025

Dear Parents,

I am emailing to inform you of an update to the Monster Phonics ebook platform. Following some inefficiencies with the way in which the platform was set up, Monster Phonics have listened to our feedback and changed their system accordingly.

Your child has had their account automatically set up by their class teacher. Their log in details will be sent home later this week (either loose or stuck in their homework/reading diaries). Please click [here](#) to access the ebook log in page. Once logged in, your child will have access to the ebooks which their class teacher has allocated. This eradicates any previous issues of having only one log in for siblings.

Any previous log in details are now non-existent so please look out for your child's new log in details later this week.

Kind regards,

Mrs B Budd
Deputy Headteacher (Academic and Early Years)
