27th February 2025

Dear Parents,

11+ Holiday Classes

Following on from the previous success of study sessions, Forest will again be offering sessions during the holidays listed in the table below.

The sessions, which are optional, will give pupils the opportunity to revise and study topics for the entrance examinations that they will take in Year 6.

Session Details

These sessions will take place on a Wednesday during the holidays, from 9.00am to 12.30pm, with a gap of half an hour to enable the children to have a break and snack. The subjects covered during these sessions, for an hour each, will be Maths, English and Reasoning. The cost will be £32.00 per day.

Summer Study Block

Following a similar format to the weekly study sessions, we will hold a 3 day block of sessions in the final week of the summer holiday. This gives the children a chance to get back into the routine of school in preparation for the exams in September.
