Dear Parents,

Year 5 Summer Workshops

Forest will be offering a series of Year 5 Workshops over the Summer Holidays. The sessions were held last summer and proved very useful.

These sessions are optional, and aim to give pupils the opportunity to experience and study the topics that they will cover in Year 5. Mr Hyde and I will be conducting these sessions, allowing the children to become more acquainted with us.

The sessions will take place every Wednesday during the Summer Holidays, from 9.00a.m. until 12.30 p.m., with a half an hour gap to enable the children to have a break and snack.

The sessions will also cover the core subjects that are required for the entrance examinations; English, Mathematics, Verbal Reasoning and Non Verbal Reasoning.

The cost will be £26.00 per day. Bookings for each session should be made via Magic Booking. Unfortunately Childcare vouchers cannot be used as this session is classified as educational not childcare.
